TROPICAL AND GEOGRAPHICAL MEDICINE VOLUME 45 1993

accidents
■ *epidemiology*
N.O. Bwibo. Children and accidents. Epidemiology and prevention 223
■ *prevention*
H.J. Klasen, W.H.J. Rogmans. Preventing accidents in childhood 252
■ *trauma care*
H.A. Hey. Traumatology in North and South 227

anaemia
■ *chloramphenicol*
Muheez Alani Durosinmi, Adesuyi Adeyinka Ajayi. A prospective study of chloramphenicol induced aplastic anaemia in Nigerians 159
■ *wound healing*
E.N. Elechi, H. Eni. Anaemia and wound healing. A clinical observation in 38 patients 80

anaphylaxis
Iqbal Kabir, Peter Speelman, Asma Islam. Systemic allergic reaction and diarrhoea after pineapple ingestion 77

ascariasis
C.A. Adebamowo, E.E.U. Akang, J.K. Ladipo, O.G. Ajao. Ascarid granuloma presenting as pseudotumour 86

blindness
Paul Courtright, Peter Klungsøyr, Susan Lewallen, Thor Henrik Henriksen. The epidemiology of blindness and visual loss in Hamar tribesmen of Ethiopia. The role of gender 168

blood transfusion
Jennechien Vos, Balthazar Gumodoka, Japhet Z.L. Ng'weshemi, Frederick C. Kigadye, Wil M.V. Dolmans, Martien W. Borgdorff. Are some blood transfusions avoidable? A hospital record analysis in Mwanza Region, Tanzania 301

breast-feeding
Mustafa Abdalla M. Salih, Hassan M. El Bushra, Satti Abdel Rahim Satti, Mohammed El Fatih A. Ahmed, Izzeldin A. Kamil. Attitudes and practices of breast-feeding in Sudanese urban and rural communities 171

catheter
C.A. Adebamowo, L.I. Okeke. The retained urinary catheter 186

cerebral palsy
■ *epidemiology*
J.W. Mettau. Epidemiology of cerebral palsy 211
■ *prevention*
A.W. Massawe. Prevention of cerebral palsy 214

cervical smears
Akinyinka O. Omigbodun, Jaiyeola O. Thomas, Isaac F. Adewole, Mopelola L. Ogunlusi. Triage of patients with abnormal cervical smears in the absence of colposcopy 157

cholera
Frederik P.L. van Loon. Cholera: developments in prevention and cure 269

coccidia
A.C. Rijpstra, J.J. Laarman. Repeated findings of unidentified small *Isospora*-like coccidia in faecal specimens from travellers returning to The Netherlands 280

cure
J.P. Stanfield. The balance between preventive and curative care 263

duodenal ulcer
M. El Bagir K. Ahmed, Beshir M.O. Arbab, M.M.A. Homeida. Duodenal ulcer in the Sudan. Clinical features and treatment with H_2 blockers 287

education
A.H.J. van Meurs. A continuing education programme in paediatrics in Tanzania 258

elephantiasis
D. Frommel, B. Ayranci, H.R. Pfeifer, A. Sanchez, A. Frommel, G. Mengistu. Podoconiosis in the Ethiopian Rift Valley. Role of beryllium and zirconium 165

enteric bacteria
D.K. Olukoya, O.A. Daini, M.T. Niemogha. Preliminary epidemiological studies on tetracycline resistant plasmids isolated from enteric bacteria in Nigeria 117

epilepsy
■ *children*
J. Manungo. Childhood epilepsy in Zimbabwe 246
■ *community approach*
A.T. Feksi. Epilepsy. A community approach 221
N. Dekker. Community approach in epilepsy treatment. The KAWE experience 248
■ *epidemiology*
H. Meinardi. Epidemiology of epilepsy 218
■ *tuberous sclerosis*
H.U. Isichei, Obafunwa. Epileptic fit: the most dramatic sign of tuberous sclerosis 137

filariasis
Ravikala V. Rao, Lakshmi Anupindi, Amitab Chatterjee, George K. Varghese, B.R. Krishnanand. Filarial nephritis: a cause of nephrotic syndrome 180

goitre
Mohammed ElMekki Ahmed, ElWasila AA, M. Sanhouri, K. Yagi. Surgical management of toxic goitre in Khartoum 124

haemangioma
B.R. Johnson Abdul-Wahab, O. Akinyinka Olusegun. Haemangioma of the vallecula causing acute upper airway obstruction in a 6 1/2 week old Nigerian infant with strawberry naevus 33

heart
■ *cardiac disease*
Ephrem Daniel, Belay Abegaz. Profile of cardiac disease in an out-patient cardiac clinic 121

■ *endocarditis*
R.M. Hodes. Endocarditis in Ethiopia. Analysis of 51 cases from Addis Ababa 70
■ *valve dysfunction*
A.O. Obasohan, V. Ukoh, C.O. Ajuyah. Prosthetic valve dysfunction in a Nigerian 183

HIV
N.O. Eghafona, M.N. Phillips, N. Uraih. HIV-1 seroepidemiological profile in age groups and sexes in Benin city, Nigeria 308

Hodgkin's disease
M.S. AbuElHassan, M.E. Ahmed, A. Fatah, A. Gadir, A. Hidaytalla, H.M. Ahmed. Differences in presentation of Hodgkin's disease in Sudan and Western countries 28

homicide
A.A. van Geldermalsen. Assault, a burden for a rural hospital in Lesotho 30

hyperparathyroidism
P.T. Nmadu, S.K. Garg, R. Ganguly, O.A. Mabogunje. Parathyroid adenoma in Northern Nigeria 35

imaging equipment
P.E.S. Palmer. Imaging equipment for small hospitals 98

inguinal hernia
V.C. Onuora, L.C. Chiedozi. Testicular infarction complicating strangulated inguinal herniae in Nigerian children 129

leprosy
■ *chronic plantar ulcer*
T.O. Majoroh. Chronic plantar ulcer of a leprosy patient treated by fasciocutaneous instep flap transfer. Preliminary result 39
■ *history*
B. Zuiderhoek. The approach to the leprosy problem in the past in Indonesia. A historical review of leprosy control activities in Indonesia during the last centuries 2
■ *student*
P.R.N. Verduin. Leprosy in students (Letter to the editor) 95

malaria
■ *chloroquine resistance*
H.W.R. Schreuder, F.L. Wolters, G. de Vries, J.C.F.M. Wetsteyn. Prospective *in-vivo* study of chloroquine resistance of *Plasmodium falciparum* in Zambian under-fives 15
■ *convulsions*
Asindi A. Asindi, Emmanuel E. Ekanem, Ekopimo O. Ibia, Monday A. Nwangwa. Upsurge of malaria-related convulsions in a paediatric emergency room in Nigeria. Consequence of emergence of chloroquine-resistant *Plasmodium falciparum* 110
■ *pregnancy*
T.K. Mutabingwa, L.N. Malle, A. de Geus, J. Oosting. Malaria chemosuppression in pregnancy I. The effect of chemosuppressive drugs on maternal parasitaemia 6
T.K. Mutabingwa, L.N. Malle, A. de Geus, J. Oosting. Malaria chemosuppression in pregnancy II. Its effect on maternal haemoglobin levels, placental malaria and birth weight 49
J.N. Okoyeh, L. Lege-Oguntoye, J.O. Emembolu, U. Sarki, A.B. Slotboom. Sensitivity of *Plasmodium falciparum* to chloroquine in pregnant women in Zaria, northern Nigeria 56
T.K. Mutabingwa, L.N. Malle, W.M.C. Eling, J.P. Verhave, J.H.E.Th. Meuwissen, A. de Geus. Malaria chemosuppression in pregnancy III. Its effects on the maternal malaria immunity 103
T.K. Mutabingwa, L.N. Malle, J.P. Verhave, W.M.C. Eling, J.H.E.Th. Meuwissen, A. de Geus. Malaria chemosuppression during pregnancy IV. Its effects on the newborn's passive malaria immunity 150
T.K. Mutabingwa, W.M.C. Elling, J.N. Kitinya, L.N. Malle, A. de Geus. Malaria chemosuppression in pregnancy V. Placenta malarial changes among three different prophylaxis groups 274
■ *rhabdomyolysis*
P.J.E. Poels, W.M.V. Dolmans, F.J.M. Gabreëls. Rhabdomyolysis associated with malaria tertiana in a patient with myoadenylate deaminase deficiency 83

malnutrition
■ *growth*
R. Vonk, M. de Kleuver, E.H.Y. Ie, H.W.A. Voorhoeve. Growth of under five-year-old children in Kyeni, Kenya 175
■ *pneumonia*
'Doyin O. Fagbule. Bacterial pathogens in malnourished children with pneumonia 294
■ *prognostic factors*
H.O. Erinoso, F.O. Akinbami, O.O. Akinyinka. Prognostic factors in severely malnourished hospitalized Nigerian children. Anthropometric and biomedical factors 290

measles
Francis O. Ogaro, Vincent A. Orinda, Francis E. Onyango, Robert E. Black. Effect of vitamin A on diarrhoeal and respiratory complications of measles 283

meningoencephalocele
B. Wolf, K. Kalangu. Early repair of frontoethmoidal meningoencephalocele in Bulawayo, Zimbabwe 182

multiple lentigines syndrome
E.P. Kubeyinje, A.N. Onunu, A.O. Obasohan. Multiple lentigines syndrome in a Nigerian family 135

nematode infections
Alessandro Bartoloni, Paolo Guglielmetti, Gabriella Cancrini, Herlan Gamboa, Mimmo Roselli, Alessandra Nicoletti, Franco Paradisi. Comparative efficacy of a single 400 mg dose of albendazole or mebendazole in the treatment of nematode infections in children 114

nutrition
Melkie Edris Yusuf, Anne Ehrlich, G.K. Maritim. A comparison of nutritional status of pre-school children of cooperative and individual farmers in rural Ethiopia 93

oesophagus
■ *cancer*
Gershon C. Ejeckam, Fatima Abdulla Ahmed, Bahram Azadeh. Esophageal cancer in Qatar 25
■ *endoscopy*
Ishrak Mirghany Hamo. Oesophageal diseases in Sudan, diagnosed by fibreoptic endoscopy 22

osteomyelitis
Kingsley Twum-Danso, Sunil Marwah, Ake Ahlberg. Shigella osteomyelitis in a fit young man 88

patella
L.M. Oginni. Stress fracture of the patella in a palmwine tapper 37

poliomyelitis
■ *eradication*
N. Ward, J. Milstein, H. Hull, B. Hull. A global overview and hope for the eradication of poliomyelitis by the year 2000 198
■ *rehabilitation*
E. Chipofya. Rehabilitation of the patient with poliomyelitis. The Malawi experience 206
■ *vaccination*
H.C. Rümke. Vaccination against polio. Inactivated polio vaccine used in The Netherlands and Burkina Faso 202

prevention
J.P. Stanfield. The balance between preventive and curative care 263

primary health care
Jamal Saleh Jarallah, Sulaiman Abdullah Al-Shammari, Tawfik A. Khoja, Muhab Al-Sheikh. Role of primary health care in the control of schistosomiasis. The experience in Riyadh, Saudi Arabia 297

rehabilitation
■ *community-based*
M. Miles. Different ways of community-based rehabilitation 238
■ *disabled children*
Tran Trong Hai. Community-based rehabilitation programme 216
D. Werner. Meeting the needs of disabled village children 229
■ *holistic model*
A.R. Fugl-Meyer. Rehabilitation in Europe: biostatistical or holistic? 235
■ *teaching*
P. Zinkin, D. Morley. A university's response to the need for community-based rehabilitation 242

relapsing fever
Giulio Borgnolo, Belayneh Hailu, Alfonso Ciancarelli, Mauro Almaviva, Tisasu Woldemariam. Louse-borne relapsing fever. A clinical and an epidemiological study of 389 patients in Asella Hospital, Ethiopia 66

sarcocystosis
K.T. Wong, R. Pathmanathan. Human muscular sarcocystosis in Malaysia (Letter to the editor) 191

Sarcoptes scabiei
Malay Mitra, S.K. Mahanta, S. Sen, C. Ghosh, A.K. Hati. *Sarcoptes scabiei* in animals spreading to man 142

Schistosoma mansoni
Govert J. van Dam, Zhong-Li Qian, Yvonne E. Fillié, J. Peter Rotmans, André M. Deelder. Detection of IgM antibodies directed against the gut-associated circulating cathodic antigen in sera from *Schistosoma mansoni* infected patients. Development and comparison of three enzyme-linked immunoassays 59

schizophrenia
T.A. Adamson. Psychiatric illness in first degree relatives of Nigerian schizophrenic and surgical control patients 73

sickle cell anaemia
■ *cholelithiasis*
H.O. Okuonghae, R. Szlachetka, A.S. Sagay. Cholelithiasis in children with homozygous sickle cell anaemia in northern Nigeria 44
■ *epidemiology*
J.R. Aluoch, L.H.M. Aluoch. Survey of sickle disease in Kenya 18
■ *foetal haemoglobin*
C.C. Hedo, I.E. Okpala, Y.A. Aken'ova. Foetal haemoglobin levels in Nigerians with sickle cell anaemia. A revisitation 162

snakebite
A.J. Trevett, N. Nwokolo, D.A.K. Watters, W. Lagani, J.D. Vince. Tourniquet injury in a Papuan snakebite victim 305

spleen
Ahmed H. Al-Salem, Kolar Kadappa Mallapa, S. Qaisaruddin. Tuberculous abscess of the spleen 304

strongyloidiasis
■ *diabetes*
Y.M. Coovadia, M.C. Rajput, R.H. Bhana. Disseminated strongyloidiasis in a diabetic patient 179
■ *prevalence*
Claudio Lucio Rossi, Claudia Dambroski Partel, Angela Lauand Sampaio Teixeira, Emilia Emiko Hieda Takahashi, Sylvia De Barros-Mazon, Luiz Jacintho Da Silva. Strongyloidiasis in Campinas city region (Brazil). Parasitological and serological data 189

syringes
Poul-Erik Lund Kofoed, A.K.S. Mahmudur Rahman, Martha Bairagee, Birthe Nielsen. Lifetime of reusable syringes and needles. A field study 140

thalamus
K.K. Imananagha, L.N. Imananagha, N.A. Akpan. Thalamic pain syndrome of Dejerine-Roussy 90

thyroid gland
Mulugetta Mengistu. Solitary thyroid nodule in adult Ethiopian patients. Analysis and experience in management in a teaching hospital 126

tuberculosis
R.H. L'Herminez. Urgent need for a new approach to the diagnosis of tuberculosis in developing countries in the decade of AIDS 145

ultrasound
W. Missalek. Identification of the ligamentum teres hepatis by ultrasound and the clinical importance of its thickening 131

university
Sutaryo. Paediatric aspects of the HEDERA project 260

vitamin A
Francisco J. Rosales, Chris L. Kjolhede. Multiple high dose vitamin A supplementation. A report on five cases 41
